Ms. Bennett,

I'm sorry for your loss and do not wish to bother you at this time. However, the agency wishes to award before the end of this fiscal year, so they are pressing us for answers. In an effort to be fair, I want to provide you ample opportunity to comment.

Please advise if you have had time to answer Ms. Collins questions?

Hi Uneeda

Unfortunately my sister passed away last week. Is it possible to get an extension for another week?

Good morning Ms. Bennett,

The SBA Georgia District Office is in receipt of an offering for the subject contract which is currently being performed or were previously performed by Ultima Services Corporation. Before we can accept the requirement into the 8(a) BD Program, we must determine whether acceptance of the project will cause an adverse impact to you as a small business. The adverse impact concept is designed to protect small business concerns which are performing Government contracts awarded outside the program.

Please confirm receipt of the attached letter and notify this office of your intent to provide the required documentation which must be submitted within seven (7) calendar days of receipt.

Your assistance in this matter is greatly appreciated. Feel free to contact me if you have questions.
